Municipality of Grey Highlands, County of Grey, Ontario

You are hereby notified that I have amended Approval No. 5537-7FNJRB issued on July 25, 2008 for a sewage treatment and disposal system serving Amik Subdivision and Talisman Mountain Resort having a Rated Capacity of 431 cubic metres per day or 157,300 cubic metres per year, as follows:

Condition 8(4) of the Approval No. 5537-7FNJRB is to be replaced by the following:

- (4) The plant capacity for effluent disposal via spray irrigation should maintain 91,000 m³/year before the proposed upgrade works are constructed. Before the proposed upgrade works are constructed, the *The Owner* shall ensure that no spray irrigation is to take place:
 - (a) on frozen ground or during the seven (7) month period between October 1 of any calendar year and April 30 of the subsequent year;
 - (b) with the occurrence of rainfall or aerosol drift off the property; and;
 - (c) at an "*Average Effluent Application Rate* " greater than 55 cubic metres per hectare of spray irrigation area per day.

This Notice shall constitute part of the approval issued under Approval No. 5537-7FNJRB dated July 25, 2008.

In accordance with Section 139 of the Environmental Protection Act, you may by written Notice served upon me and the Environmental Review Tribunal within 15 days after receipt of this Notice, require a hearing by the Tribunal. Section 142 of the Environmental Protection Act provides that the Notice requiring the hearing shall state:

1. The portions of the environmental compliance approval or each term or condition in the environmental compliance approval in respect of which the hearing is required, and;
2. The grounds on which you intend to rely at the hearing in relation to each portion appealed.

Pursuant to subsection 139(3) of the Environmental Protection Act, a hearing may not be required with respect to any terms and conditions in this environmental compliance approval, if the terms and conditions are substantially the same as those contained in an approval that is amended or revoked by this environmental compliance approval.

The Notice should also include:

3. The name of the appellant;
4. The address of the appellant;
5. The environmental compliance approval number;
6. The date of the environmental compliance approval;
7. The name of the Director, and;
8. The municipality or municipalities within which the project is to be engaged in.

And the Notice should be signed and dated by the appellant.
